

# TEMPORARY PARKLET EXPANDED OUTDOOR DINING

## Eligibility and Location Criteria

To support expanded outdoor dining, City of Casey is offering a limited number of temporary parklets. Businesses with a Class 2 or 3 Certificate of Registration under the *Food Act 1984 (Vic)* may be permitted to expand dining onto car parking spaces in front of their business to enable increased dining space.

### A parklet can only be located in designated parking spaces which:

- are on a street with a speed limit of 50km/hr or less.
- are on a street with a straight road geometry ensuring uninhabited view lines for drivers.
- are parallel or 90 degrees (angled parking may be considered).
- are on streets which are not owned by VicRoads.
- are on streets which are not clearways.
- are more than 10m from an intersection.
- are more than 20m from a signalled intersection.
- are a minimum of one parking space away from an intersection on the approach side.
- does not have utility access panels or storm drains within the parking space
